

The Battle of Puncheon/Half Mountain
**** 150th Anniversary – April 11-13, 2014 ****

A grand remembrance is being planned for the 150th anniversary of the longest most vicious Civil War battle fought in Eastern Kentucky

Location: Puncheon Battlefield Community Park, Route 7 south of Royalton

We ask that all history and horse lovers consider riding the Dawkins Trail on Friday April 11th beginning at noon near Royalton as part of the Civil War Battle of Puncheon Reenactment. The ride will duplicate somewhat an actual event that took place 150 years ago; the daring ride to apprise the Union about Confederate activity on Puncheon Camp Creek. This ride of great peril was made by a lady named Eliza Whitaker Joseph. We welcome you to come and take part in the first annual Eliza Whitaker Joseph Memorial Trail Ride.
