Driving Directions to Jackson County Ministries/Annville Institute

(Please note: the new road opened in Nov. 2010 – final portion not on maps or GPS systems. Most GPS Systems will still show the old address of 4500 Highway 30 W, Annville, KY 40402. Our new physical address is 190 Campus Drive (Campus Drive is listed as Town Road on some GPS systems.

- **From the South and the North on interstate #75 and from the west on highway 80:**

Travel to exit # 41 (this is the north exit for London)

Drive East from the exit ramp and go to the first stoplight. (if you are coming from the west cross interstate 75)

Going straight you will enter Hal Rogers Parkway.

Go about one mile and you will come to the first stop-light (of the Parkway)

Turn left (North and East) onto Hwy # 30

You will travel about 12 miles on this road.

There will be a sharp left turn with a stop sign about ¼ mile beyond the turn.

Turn left at the stop sign onto Hwy 3630 (old 30),

You will travel about 1 ¼ mile and you will see a Shell Station on the right – and a bank on the left. Travel about 200 yards down the small hill and there will be the first stone entrance (another and bigger stone entrance is about 1/8 mile further) on the right (campus drive) you will drive by the church follow the road as it curves to the left and you will see Hacker Gym (white building with green steel roof on the right).

- **From the East (Pikeville and Hazard):**

Travel the Hal Rogers Parkway to London.

Continue on the Hal Rogers Parkway and pass North Laurel Middle School (on your right).

Pass North Laurel High School (on your right).

After you pass the high school, turn Right at the stoplight onto HWY 30.

You will travel about 12 miles on this road.

There will be a sharp left turn with a stop sign about ¼ mile beyond the turn.

Turn left at the stop sign onto Hwy 3630 (old 30),

You will travel about 1 ¼ mile and you will see a Shell Station on the right – and a bank on the left. Travel about 200 yards down the small hill and there will be the first stone entrance (another and bigger stone entrance is about 1/8 mile further) on the right (campus drive) you will drive by the church follow the road as it curves to the left and you will see Hacker Gym (white building with green steel roof on the right).

- **From the Northeast (Boonville):**

Take Highway 30 S thru Tyner to Annville (about 5 miles) Drive straight onto #3630 (old 30). You will travel about 1 ¼ mile and you will see a Shell Station on the right – and a bank on the left. Travel about 200 yards down the small hill and there will be the first stone entrance (another and bigger stone entrance is about 1/8 mile further) on the right (campus drive) you will drive by the church follow the road as it curves to the left and you will see Hacker Gym (white building with green steel roof on the right).

- **From the Southeast (Manchester):**

Take 421 N to Tyner. At Tyner (post office) turn South onto Highway 30 towards Annville (about 5 miles) . Drive straight onto #3630 (old 30). You will travel about 1 ¼ mile and you will see a Shell Station on the right – and a bank on the left. Travel about 200 yards down the small hill and there will be the first stone entrance (another and bigger stone entrance is about 1/8 mile further) on the right (campus drive) you will drive by the church follow the road as it curves to the left and you will see Hacker Gym (white building with green steel roof on the right).
